### **Course Outline**

Atlantic's specialised training programme for Educational Administrators is focused on the development of communication required to work in modern internationalised educational institutions. The English for the Workplace course prioritises the development and refinement of skills required by senior professionals interacting through English. The objectives of the course are to assist those who need a sound knowledge of the skills needed to carry out duties successfully in a business setting. There is a focus on the communicative abilities in English of the participants, with tailored workshops and practical language input sessions appropriate to their identified needs and priorities. For more information on Atlantic Language's Specialist Programmes, including Frequently

Asked Questions, please visit our home page: www.atlanticlanguage.com/erasmus-plus-courses

To discuss a closed group specialised course, please contact contact@atlantic.ac and complete the Group Request Questionnaire

#### **Cultural Programme**

The seminar programmes are delivered by expert trainers and infused with the practical application of language teaching expertise, in Atlantic Language's twin centres: Galway, the cultural capital of Ireland on the wild Atlantic coast; and Dublin, the vibrant, cosmopolitan capital.

The week-long programme includes a professional walking tour, a cultural outing, networking lunch, and a heritage trip, all integrated with course objectives.

The seminar includes opportunities for ongoing networking and a cultural immersion in activities such as Irish Dance. Day trips are available to the splendid Aran Islands on Europe's edge or the world- famous 250-yearold Guinness storehouse.

# Funding

Participation on the course can be funded through the use of the following:

Atlantic Language is a premium English language school in Ireland with sites in both Galway in the West and Dublin in the East. A market leader in language education in Ireland, Atlantic has received several awards including the prestigious Language Travel Magazine Award for the Best English Language School Europe 2009.

# English for the Educational Workplace

The English for the Workplace course is an intensive communicative course which equips participants to better manage day-to-day interactions with peers, students, managers and external stake-holders with more confidence, agility and accuracy as relevant to their roles, encompassing practical workshop exercises to develop a range of communicative skills and improving their language knowledge, and functional vocabulary to deal with direct interactions.

Our specialist team of trainers employ a collaborative approach to course delivery, utilising pre-arrival questionnaires and needs analyses to adapt the course to the most practicable and beneficialprogramme possible for participants. See a 1-week representative sample schedule below.

Course Objectives				
Overall Objectives of the Mobility	Participants will improve communicative competence in English by completing an intensive course with increased confidence and competence for workplace skills.
