Individuals and groups of junior students have the opportunity to choose from the following options:

- International Young Adult Programme (Age 16 to 19) available mid-June to end July each year
- International Junior Summer School (Age 12 to 16) available July each year
- Junior Short-stay (closed school groups) available September to mid-June each year

The fun-packed programmes incorporate from 20 up to 30 lessons of English language tuition, diverse and engaging activity programmes, breath-taking full-day excursions along Ireland's Wild Atlantic Way and full board accommodation in residence or with host families. Parents can be rest assured that their sons or daughters are well looked after during their language holiday in this charming and safe city of Galway along the West Coast of Ireland.

International students can travel into any airport in Ireland, and transfers can be easily arranged for them whether they are travelling with a group leader or individually. Life-long friends are made along the way, with lasting impressions of the warmth and friendliness of Irish people and the magical charm of this beautiful city of culture.
