INTERNATIONAL YOUNG ADULT SUMMER SCHOOL

WE HAVE THREE TUITION OPTIONS. EACH OF THESE ARE TASK-BASED AND AIM TO IMPROVE YOUR KNOWLEDGE AND UNDERSTANDING OF THE TOPIC AS WELL AS YOUR ENGLISH SKILLS.

PREPARE TO STUDY AT UNIVERSITY

This course focuses on the skills you need to succeed at university. Our engaging, skills-based lessons will help you improve your critical thinking, lecture note-taking, research & presentation skills, as well as academic writing. Ideal preparation for students who are about to embark on a university course.

GLOBAL CITIZENSHIP, DIVERSITY & INCLUSION

Explore what it means to be a global citizen in the modern world. This task-based course will help you gain an understanding of diverse cultures and identities. You will have practical opportunities to develop self-expression and the communication skills to interact with others, while gaining knowledge of the wider world and your place in it.

CLIMATE CHANGE: THINK GLOBALLY, ACT LOCALLY

This project-based learning programme consists of guided workshops and a group research project. You will explore topics surrounding climate change and the impact we can make as individuals. Discover the activists driving change and the role decision makers play. You will look into what international agreements are in place and what they mean, as well as speculate about the future.

ACTIVITY PROGRAMME

Discover the best the west of Ireland has to offer with full-day excursions to the Aran Islands and the Cliffs of Moher. Half-day trips include the beautiful Connemara and a river cruise from Galway City. You can also benefit from an interactive walking tour on your first day as well as exciting afternoon activities including kayaking at Rusheen Bay, zip-lining, indoor wall climbing, bubble football and an escape room.

The school staff and mentors organise and supervise group activities two evenings per week. You can enjoy laser quest, bowling, the cinema and an Irish dancing workshop.

Our Irish rep scheme also means you get the chance to mix with Irish students at the same age as you, to find out more about the country and culture, as well practice speaking to native speakers of English.
