COURSE OUTLINE

The aim of the course is to give the participant a basic foundation into the practice of mindfulness applied to education. Mindfulness is known to improve wellbeing and can foster critical thinking, performance, creativity, and empathy; all of which are valuable life skills which can be transferred to our professional lives. During the course the participant will also develop their emotional intelligence and become more emotionally competent both on an intrapersonal and interpersonal level and thereby enhance their performance and improve their relationships.

COURSE OBJECTIVES
